Cast on 62st. Work in garter stitch.

At the end of the third row, place a buttonhole working k2tog, yo, k2. Place markers on the 4th row, like that :

3st (border), **pm**, 8 st, **pm**, **1st**, **pm**, 8st, **pm**, **1st**, **pm**, 20st, **pm**, **1st**, **pm**, 8st, **pm**, **1st**, **pm**, 8st, **pm**, 3st (border)

the first and last markers are using to show the border placement. The others are on each side of the **raglan stitch**.

On the 5th row work in stockinette and start increasing (on right side) like this :

3m (border), **m**, 8st, m1r, **m**, **1st**, **m**, m1l, 8st, m1r, **m**, **1st**, **m**, m1l, 20st, m1r, **m**, **1st**, **m**, m1l, 8st, m1r, **m**, **1st**, **m**, m1l, 8st, **m**, 3st (border)

be carefull ! On the 5th row, you also have to place the river pattern, on the 20 front stiches, just after the marker. The pattern is worked on 17sts, place markers to help you.

Continue to work the increases on right side rows, and the river pattern on every row (right side and wrong side) until row 10 of the pattern.

At the end of row 11, work the last 3 stitches (border) with the 3 first stiches, by making 3x k2tog. Here's the new start point for your project. You're now knitting in the round !

The increases are working only every other row.

After 19 raglan increases, there's 58 sts for the front. Place sleeve stitches (2x 48st) on scarp yarn and continue on body stitches. Place markers on the sides.

At 3cm after armholes, increase on each side of sides markers, like this : m1, k1 slip marker, k1, m1. Work this increase every 12 rows.

At 26cm after armholes, work 5 rows of garter stitches and bind of.
Take back sleeve stitches, work 6 rows of stockinette and binf off

Sew all ends, block and sew a button.
